TO: Global Advocacy Coordination Advisory Committee RE: Next Call Scheduled - for the Global Advocacy Coordination Committee - 19 December, 14:00 GMT

You are receiving this memorandum because you registered for the Global Advocacy Coordination Advisory Committee. By a separate email, you will receive a calendar invite with the call details. Starting with January, we will pre-schedule the committee calls on a rolling basis, and the calls will take place approximately every 5 weeks.

Agenda
We will distribute the call agenda closer to the call, and the objective will be to cover global policy engagements (excluding US) that took place between the call on 6 November and this call. We welcome your suggestions for the agenda, and we also hope for your active participation on the call.

Committee Membership Adjustments
As we are shaping this new committee and its agenda, please do let us know if you need to change your participation. By way of reminder, while this committee focuses on de-briefing and sharing about advocacy engagements, the in-depth substantive discussions on the core topics take place in other committees, for example:

- Global Regulated Funds Committee
- Global Retirement Savings Committee
- Global ETF Committee
- Global Tax Committee, and
- ESG Task Force

If you are interested in joining these other committees (and you are welcome to participate in multiple), please do reach out. We want to make sure we get the right information to you, to the right people, and on the right topics.

With any questions, you can reach me at adriggs@ici.org.
