RE:

DRAFT ICI GLOBAL RESPONSE - EU COMMISSION GREEN PAPER ON RETAIL FINANCIAL SERVICES - MEMBER INPUT REQUESTED BY FRIDAY 11 MARCH 2016

As previously advised, [1] the European Commission ("the Commission") published a Green Paper on Retail Financial Services ("the Green Paper") on 10 December 2015. [2]

A draft response to the Green Paper is attached for your review. Please provide comments on the draft response to Giles Swan (+44 207 961 0832 or giles.swan@iciglobal.org) by close of business on Friday 11 March 2016.

In the draft response we make a number of recommendations including:

- Removing impediments and barriers on cross-border UCITS that are imposed by Member States;
- Developing a harmonised pan-EU UCITS marketing regime;
- Prioritising the creation of a pan-EU personal pension product (PEPP);
- Effecting tax changes, to achieve tax neutrality and enhanced tax relief for crossborder funds;
- Developing regulatory approaches to accommodate and encourage digitalisation, including the electronic delivery of information to fund investors;
- Converging KYC requirements, including supporting the use of electronic identity verification, and facilitating cross-border data sharing between distributors and funds;

Comments are due to the Commission by 18 March 2016 via an online questionnaire. [3]
