EU ESG Disclosure Regulation Working Group
Global Advocacy Coordination Advisory Committee
ICI Global Regulated Funds Committee RE: EU ESG: Summary of Call with French AMF on SFDR RTS

As you know, we met with the French securities regulator, the Autorité des marchés financiers (AMF), on 25 August 2020. We had a very helpful and frankly encouraging discussion on the European Supervisory Authorities' (ESAs) consultation on draft regulatory technical standards (RTS) for the sustainable finance Disclosure Regulation (SFDR). The AMF recently released a publication flagging areas in the consultation that are of particular interest.^[1] They mentioned that they are very interested to hear from the industry on this.

Attached is a more detailed summary of the areas we discussed.

Linda M. French
Assistant Chief Counsel, ICI Global

Anna Driggs
Director and Associate Chief Counsel
