Upcoming CRO Events: Committee Call on September 23 and Virtual Meeting on November 19

[32715]

August 27, 2020 TO: Chief Risk Officer Committee RE: Upcoming CRO Events: Committee Call on September 23 and Virtual Meeting on November 19

Please note that we have set the dates for the next quarterly call and virtual meeting of ICI's Chief Risk Officer Committee:

- The call will be held on **Wednesday, September 23rd from 2:00-3:30 p.m. [Eastern]**; and
- The virtual meeting will be held on **Thursday, November 19th from 2:00-5:30 p.m. [Eastern]**. As with our spring virtual meeting, the November meeting will consist of a discussion of members' issues from 2-4 p.m.; a break from 4-4:15 p.m.; and a presentation from an outside presenter from 4:15-5:30 p.m. [We are currently in the process of lining up the speaker to present to the committee and will let you know once we have done so.]

At this time, **please just save these dates on your calendar**. Approximately three to four weeks in advance of each of these events, I will be reaching out to you via email to see what issues you would like me to add to the agenda for discussion. Also, prior to the November meeting, I will be sending you the CRO Risk Issues Survey so we can provide the anonymized results from this survey to Joanne MacGregor (Vanguard) so she can produce the heat maps for us in advance of the meeting.

If you have any questions about these events or suggestions for improving the value of the committee to you, please do not hesitate to let me or the committee's chair, Rhonda Cook (SEI), know (RCook@seic.com). We look forward to connecting with you in September and November! Enjoy the rest of your summer and stay safe and well!
