At the May 2007 International Committee meeting, we announced our plan to survey Committee members to obtain feedback on how to maximize the value of the International Committee and Committee meetings. Attached is a brief survey that addresses topics such as the length, format, and content of meetings, and requests suggestions for improving the meetings and work of the International Committee.

We would like the survey results to reflect the responses of as many Committee members as possible. Please complete the attached survey (either in Microsoft Word or by hand if you prefer) and return it to us by Friday, August 31. The completed survey should be sent to Ruth Tadesse by e-mail (rtadesse@ici.org) or fax (202.326.5841).
