TO: RISK MANAGEMENT COMMITTEE No. 3-10    RE: QUARTERLY CONFERENCE CALLS OF THE RISK MANAGEMENT COMMITTEE SCHEDULED FOR APRIL 15, JULY 15, AND OCTOBER 21 FROM 2-3 P.M.

Consistent with the interest of the members of the Risk Management Committee, and as discussed during last month's Committee meeting, the Committee will continue to hold quarterly conference calls during 2010. As with last year's calls, these calls will consist of an informal discussion of issues presented by members in advance of the calls.

The 2010 quarterly calls have been scheduled for Thursday, April 15th, July 15th, and October 21st from 2:00-3:00 p.m. (EDT) with a dial-in number of 888-324-8507 and a passcode of 68741.

In advance of each of these quarterly calls, members will be sent an email reminder of the call, along with call-in information. At that time, members will also be asked to provide issues they would like to discuss during the call. The final list of issues will be circulated prior to the call so members will be prepared to discuss them.

In addition to these quarterly calls and as discussed during our recent meeting, the Institute

will sponsor an informational conference call on risks associated with technology and data security. This call will provide members the opportunity to hear from one or more experts on this topic and to ask questions of our presenter(s). As soon as arrangements are made for this call, members will be notified via memo. If you have suggestions for additional informational calls, please let me know.
