The next meeting of the Investment Company Institute's Sales Force Marketing Committee is scheduled for Thursday, September 18, 2008 from 8:30 am to Noon at ICI's offices at 1401 H Street, NW, Washington, DC. Lunch will be available immediately after the meeting. Topics that will be explored at the meeting include:

- How advisers are using alternative investments to construct portfolios

Compliance Professionals Invited to Attend Meeting

The committee's February 2008 meeting featured a very lively discussion about the compliance challenges committee members are facing. The participation of several compliance professionals from member firms added to the value of the discussions. Consequently, we would like committee members to invite the compliance professional from their firm who works most closely with the sales organization to attend the September meeting.

Meeting Registration

Committee members and compliance professionals should register for this meeting and the networking dinner at <http://members.ici.org/reg/salesforce>.
