The Capital Markets Authority of the Kingdom of Saudi Arabia recently adopted final rules for Qualified Foreign Institutions Investment in Listed Shares. [\[1\]](#) We would like to invite committee members to attend a conference call on Tuesday, June 2, 2015, at 11:30 a.m. US Eastern (8:30 a.m. Pacific, and 4:30 p.m. in London) to discuss the newly issued QFI rules in Saudi Arabia and the expected market opening on June 15th, 2015.

On the call, we will have HSBC Saudi Arabia present key nuances in the QFI rules and issues pending for clarification with the regulator. We will additionally be joined by Jacques Visser, a Dechert LLP partner based in Dubai, who will share his insights on the QFI rules. These presentations will be followed by a members' discussion session, where we encourage members to share their views on main concerns or obstacles for regulated funds such as U.S. mutual funds or UCITS looking to invest in Saudi Arabia.
