ICI Global Trading & Markets Committee  
SEC Rules Committee RE: October 9 ICI Global Consolidated Update on Global Market and Regulatory Developments Related to COVID-19

Attached is a document that provides an update on global market and regulatory developments related to COVID-19 of which we have become aware, with a focus on developments that affect regulated funds. This document covers developments from September 25 to October 9, 2020.

ICI's COVID-19 Resource Page, which can be found at <https://www.ici.org/covid19> (make sure you are logged in), contains the consolidated memoranda from prior weeks and additional information about COVID-19 related developments.

Anna Driggs  
Director and Associate Chief Counsel
