Fixed-Income Advisory Committee RE: ICI Member Call on May 21 at 1:00 PM (Eastern) to Discuss FINRA's Proposal to Study Changes to Corporate Bond Dissemination Rules

As previously reported, the Financial Industry Regulatory Authority (FINRA) recently requested comment on a [proposed pilot program](#) to study changes to corporate bond block trade dissemination rules based on recommendations of the Securities and Exchange Commission's Fixed Income Market Structure Advisory Committee. ICI summarized the proposed pilot in a member memorandum that is available [here](#).

We learned that members hold divergent views about the proposed pilot during a member call on April 24. On **Tuesday, May 21 at 1:00 pm (Eastern)** we will hold a second member call to discuss whether a consensus exists for ICI to submit a comment letter on this proposal. Please contact Monique Curtis at [monique.curtis@ici.org](mailto:monique.curtis@ici.org) to receive dial-in information for the call.
