[23292]

March 4, 2009

TO: RISK MANAGEMENT ADVISORY COMMITTEE No. 3-09 RE: valign="top"SCHEDULE OF
THE 2009 QUARTERLY CONFERENCE CALLS OF THE RISK MANAGEMENT ADVISORY
COMMITTEE

During the January 8th conference call of the Risk Management Advisory Committee, members expressed an interest in holding quarterly calls of the Committee. These calls will focus on issues for informal discussion presented by members in advance of the calls, as well as on any current Committee business. The schedule of calls for the remainder of 2009, each of which will occur on a Thursday from 2-3 p.m. (Eastern) is as follows: April 23rd, July 23rd, and October 22nd.

In advance of each of these quarterly calls, members will be sent an email reminder of the call, along with call-in information. At that time, members will also be asked to provide issues they would like to have discussed with the Committee during the call, and the list of issues will be circulated prior to the call so members are prepared to discuss such issues.

Additional calls of the Committee may be held if requested by the members of the Committee or the Chairman. In addition, as discussed during our January 8th call, the Committee plans to sponsor informational conference calls dedicated to specific topics relating to risk management. At the request of the Committee, the first such call is expected to focus on the expectations of the Financial Services Authority of the UK with respect to risk management, and how such expectations may be evolving in light of current global market events. As soon as arrangements are made for this first informational call,

members will be notified via memo.
