TO: ICI GLOBAL TAX COMMITTEE No. 2-13 RE: PLEASE SAVE THE DATE FOR IN-PERSON TAX COMMITTEE MEETING ON 13TH FEBRUARY 2013 IN LONDON

Please save in your diary an in-person meeting of the ICI Global Tax Committee on Wednesday, 13 February, from 10.00 until 12.00. The location for the meeting will be announced shortly.

Issues for detailed discussion will include the final FATCA regulations and steps being taken to maximize the consistency in FATCA implementation guidance in countries that enter into intergovernmental agreement with the US. Some of these “implementation consistency” issues will be discussed at an Organisation for Economic Co-operation and Development (“OECD”) meeting on 11-12 February; ICI Global chairs the Business Advisory Group to these FATCA meetings.

A detailed agenda will be distributed in advance of the meeting. Please let Keith Lawson ([lawson@ici.org](mailto:lawson@ici.org)) and Giles Swan ([giles.swan@ici.org](mailto:giles.swan@ici.org)) know of any issues that you would like included on the meeting agenda
