Also, at the time of registration, please indicate any items you would like added for discussion at the meetings.

Guest Speakers

I am pleased to let you know that we have lined up guest speakers for both the CRO meeting and the joint meeting. For the CRO meeting, we have lined up James Lam, the “godfather” of CROs in our industry as well as Stephen Ledbetter, the Director of Policy for the FSOC within the US Department of Treasury. For the joint meeting, we have lined up Adam Schneider of Oliver Wyman, who will discuss what the transition away from LIBOR means for our industry and what we should be thinking about and focusing on in anticipation.
