October 8, 2018 TO: Equity Markets Advisory Committee RE: Member Call to Discuss Equity Market Structure Priorities on Monday, October 22 at 1:00 p.m. (ET)

ICI's Equity Markets Advisory Committee will hold a call at 1:00 p.m. (Eastern) on Monday, October 22, 2018 to discuss the Institute's equity market structure priorities. Please contact Monique Curtis at monique.curtis@ici.org to receive dial-in information for the call.

The call will include a discussion of the attached market structure recommendations (the "Markets Improvement Drive" or "MID") developed by Nat Evarts (State Street) and Mike Masone (Citi). Nat gave a brief overview of the MID during our committee meeting last week. Many of the MID recommendations focus on the structure and governance of self-regulatory organizations (SROs), a topic that the Committee has discussed from time to time. Commissioner Jackson also raised the topic of SRO regulation in a recent [speech](#).

Please come prepared to share your views on the recommendations in the MID as well as other potential equity market structure priorities for ICI. If you wish to share your views in advance of the call, please contact George Gilbert at george.gilbert@ici.org.

George M. Gilbert
Assistant General Counsel
