EU ESG Working Groups: Member List and Revised Project Timeline for Consultation Responses

[32504]

June 2, 2020 TO: ESG Task Force

ICI Global Regulated Funds Committee RE: EU ESG Working Groups: Member List and Revised Project Timeline for Consultation Responses

As follow-up on our initial joint call^[1] of the EU Sustainable Finance Working Group and EU ESG Disclosure Reg Working Group, attached is a list of everyone who has registered for each of the two working groups. Please let us know if you have any colleagues who you would like to add to the distribution list. Please also feel free to invite colleagues to attend on an “as needed” basis without officially joining a working group.

Also attached is a revised project timeline for the two consultation responses.

Anna and I are working to pull together the information discussed on the call and will follow up in the coming days with additional materials for our next call. Please do not hesitate to reach out in the meantime with any questions or if you would have any particular items you would like to discuss.

Also, we want to make sure you’re aware that all of the information we circulate to the working groups is also available on the ESG Task Force webpage at https://www.iciglobal.org/iciglobal/committees/esg_task_force. (Please let us know if you have any trouble logging in or accessing any of the links.) The ESG Task Force is a standing task force, while the two EU ESG Working Groups represent specific workstreams to coordinate our responses to the two consultations discussed on the call.
