We will hold our next committee meeting on **10 February, at 16:00 GMT/17:00 CET**. A calendar invite was sent to committee members, and an agenda is to follow closer to the meeting.

In addition to regular discussion about engagement on specific EU files, we also will discuss our ideas for broader outreach for the spring time frame, including a possible event with the European Parliament/ECON, engagement with the Slovenian Presidency ahead of the term start, and we are also thinking through our thought leadership engagement with academic institutions in Europe. Your thoughts and input are very much welcome.
