AGENDA FOR UPCOMING MEETING

September 22, 1989 TO: RESEARCH COMMITTEE NO. 26-89 RE: AGENDA FOR UPCOMING MEETING

@@
@@@@@@@@@@@@@@@@@@@@@@@@@@@@ Enclosed is our agenda for the Research Committee meeting of October 3, 1989. It will begin at 9:00 a.m. at the Madison Hotel, corner of 15th and M Street in Washington, D.C. We plan to adjourn at 3:30 p.m. The meeting will include a presentation by Dr. Mathew Greenwald on demographic trends. Dr. Greenwald is a well known researcher on this topic and has published several articles. His talk should stimulate discussion of the effect of changing trends on financial services and will prepare us for a discussion by the Committee of our planned research project on attitudes to money management of baby boomers and individuals in pre-retirement years. You will also find enclosed an invitation to attend a special Research Committee dinner on the evening of October 2, on the occasion of Don Farrar's retirement as Committee Chairman. We hope that you will be able to organize your travel plans so that you can attend this dinner. You will be telephoned for confirmation of attendance during the week of September 25. We look forward to seeing you at these occasions. Jacob Dreyer Vice President, and Chief Economist
