JANUARY RESEARCH COMMITTEE MEETINGS

December 5, 1989 TO: RESEARCH COMMITTEE NO. 34-89 RE: JANUARY RESEARCH COMMITTEE MEETINGS

@@
@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@ Attached is the agenda for our Research Committee meetings to be held Wednesday and Thursday, January 17 and 18, 1990, at the Pointe, Squaw Peak near Phoenix, Arizona. A complete set of background papers supporting some agenda items will be mailed to the Committee in early January. The format of these meetings and those of the Public Information and Marketing Committees will be open to attendance by members of the other committees. Therefore, presentations or discussions scheduled within a committee meeting are intended to inform a broader audience and our meetings have been so organized. You will have received information about registration and a schedule of all meetings from Dick Pogue, November 9. Please contact me if you have any questions or comments concerning the Research Committee meetings. We hope your schedule will permit you to attend and look forward to seeing you. Sandra J. West
Director, Marketing Research
