BUSINESS RADIO NETWORK

October 17, 1989 TO: PUBLIC INFORMATION COMMITTEE NO. 27-89 RE: Business Radio Network _____ As you know, Business Radio Network is one of the new national networks specializing in business and financial news coverage. Last week I visited BRN headquarters in Colorado Springs to learn more about their programming, and to do some interviews. The enclosed promotional information will provide you with some details about this organization, which has 45 radio station affiliates across the nation. I would suggest that you send your news releases and other information to Sondra Johnson, executive producer. She would also be the person to contact concerning suggestions on interviews. Best regards, L. Erick Kanter
