NEW FAX SYSTEM

April 25, 1990 TO: PUBLIC INFORMATION COMMITTEE NO. 12-90 RE: NEW FAX SYSTEM

As was announced at the April 18 meeting of the Committee, we have developed a special FAX system for members of the Public Information Committee. This new system will enable us to provide you with faster access to Institute announcements or information on how we are responding to the news media in a crisis situation than was generally possible in the past. It will also be helpful in providing you with fast access to information generated by the new subcommittees which Steve Norwitz discusses in his accompanying memo. Yesterday we used the new FAX system for the first time by sending you a copy of our news release on Dave Silver's testimony on financial restructuring. Please let me know if you did not receive a copy of that release by FAX. Also, if you feel that you DO NOT need to receive information through this FAX system, please let me know. I hope to see you in a couple of weeks at the General Membership Meeting. Best regards, Erick Kanter
