MARKET ACCESS IN THE ASEANS

ACTION REQUESTED June 22, 1994 TO: INTERNATIONAL COMMITTEE NO. 12-94 RE: MARKET ACCESS IN THE ASEANS _____ Treasury Department representatives will meet in July with several Asean countries to discuss possible bilateral trade agreements to liberalize trade in financial services with those countries. In connection with this trip, the Institute has been invited to provide information about market access issues with respect to Thailand, the Philippines, Malaysia, Indonesia, and Singapore. Treasury needs this information by June 24. Please let me know by noon Friday, June 24 if there is any specific information you would like the Institute to provide about both the potential attractiveness of these markets to U.S. money managers and the barriers to market access that currently exist. You can call me at (202) 326-5826 or fax information to (202) 326-5839. Mary S. Podesta Associate Counsel - International
