Enclosed is your copy of the Institute's 1989 Guide to Mutual Funds. In addition to giving investors a broad overview of how mutual funds operate, the Guide lists over 2,700 open-end investment companies by investment objective and provides the address, phone number, assets, and other information for each fund. The list includes companies that were Institute members as of December 15, 1988. Please call us with any questions or comments.
