The 2006 NRA Layout, which is new for this year, is an excel spreadsheet that should be used in connection with reporting information on IRS Form 1042-S. The NRA Layout and instructions are available on the Institute's members only website at <http://members.ici.org/yearendtax.do>. 1 Requested Reporting Date The brokerage community has requested that funds provide year-end tax information on the NRA Layout no later than February 14, 2007. Any fund complex that requires additional time to prepare the data may choose to communicate with the brokers and banks that sell their funds to arrange an alternate date. \* \* \* 1 Hard copies of the documents and spreadsheets are available to the Institute's members upon request to the Institute's Ezella Wynn ([ewynn@ici.org](mailto:ewynn@ici.org) or 202/218-3560). 2 The rules governing the proper tax characterization of distributions by mutual funds can be complex. Each fund should consult its own tax advisor regarding the proper tax characterization and reporting of the fund's distributions. Lisa Robinson Associate Counsel Attachment (in .pdf format)
