## **2002 GOVERNMENT AFFAIRS MATERIALS**

[14481] February 26, 2002 TO: BOARD OF GOVERNORS No. 6-02 FEDERAL LEGISLATION MEMBERS No. 3-02 PRIMARY CONTACTS - MEMBER COMPLEX No. 14-02 PUBLIC INFORMATION COMMITTEE No. 7-02 RE: 2002 GOVERNMENT AFFAIRS MATERIALS Among its responsibilities, the Institute's Legislative Affairs Department provides regular information about congressional and Administration initiatives that affect the investment management industry. Throughout the year you will receive materials related to this effort: • Federal Legislation Memoranda. The Legislative Affairs Department sends regular memos reporting on significant legislative developments and Institute actions of concern to members. • Washington Update. The Legislative Affairs Department produces a newsletter that informs members about the Institute's Government Affairs agenda. (We expect this newsletter to be available electronically sometime in 2002.) • Legislative Alerts. Occasionally Institute members will be asked in these alerts to assist the Institute by contacting Members of Congress on critical industry initiatives. Attached you will find an index of memoranda sent to Institute members in 2001. We hope these items will be useful to you and are consistent with the Institute's ongoing efforts to provide helpful and informative services. Although you may have previously received a binder to store these materials, binders will no longer be provided. If you wish further information, please contact Donald J. Morrissey, Vice President for Legislative Affairs, (202/326-5895 or don@ici.org) or Elizabeth Powell, Vice President for Public Information, (202/326-5860 or powell@ici.org).
