No. 1-95 FEDERAL LEGISLATION MEMBERS No. 1-95 RE: 1995 GOVERNMENT AFFAIRS
MATERIALS

The Investment Company Institute's Board of Governors and members are committed to an industry-wide government affairs initiative. As part of this effort, the Institute's Legislative Affairs Department provides regular reports on Congressional and Administration activities that affect the investment management industry. In connection with such reporting, you will find the following: 1. The 1995 Government Affairs binder, designed to house 1995 memoranda regarding the Institute's Government Affairs programs. This binder contains two sections: one for monthly issues of the "Washington Update"; the other for Federal Legislation Memoranda. 2. An index for the 1994 Government Affairs binder, which identifies all memos you should have received. We hope these items prove useful to you and assist in the Institute's ongoing efforts to provide informative services. If you wish further information, please call the Legislative Affairs Department at 202/326-5890. This memo can also be found on FUNDS, the Institute's Fund User Network and Delivery System, under "Legislative Affairs; Washington Update." Julie Domenick Senior Vice President
