PENDING PENSION LEGISLATION TO FOLLOW COMMITTEE MEETING

_____ We have
scheduled a meeting to discuss technical issues arising from pension provisions in the
revenue reconciliation bill currently being considered by Congress. This meeting will
directly follow the Pension Committee meeting, which is scheduled for 1:30 on Wednesday,
June 18 at the Institute offices at 1401 H Street. The meeting will begin at approximately
3:45 PM. Attached to this memorandum, you will find an additional memo describing the
relevant pension provisions in the "Revenue Reconciliation Act" reported out of the House
Ways and Means Committee on June 13. Additionally, we are sending for your review
relevant bill language and accompanying explanatory text by Federal Express for Monday
delivery to all who have informed us that they will be attending the Pension Committee
meeting. All others will receive the bill language by regular mail. Our discussion will focus
on identifying technical problems with the American Dream IRA and the Education
