COMPLEX No. 31-99 RE: 1999 MEMBERSHIP DIRECTORY & GUIDE

Enclosed is a copy of the Institute's 1999 Membership Directory & Guide. This Directory is intended to provide you with a handy reference guide of the Institute's membership and their primary contacts, committee members and Institute staff. Please note that the cut-off date was January 8, 1999. Therefore, changes reported to the Institute after this date, or new members who have since joined, will not appear in this edition. There is a form on page 207 that may be used to indicate changes or updates to the information printed in the Directory. However, changes to standing committee representation must be done separately in writing and signed by the group's primary contact. This Directory has been divided into eight sections, which are detailed in the Table of Contents. Section VII (page 169) lists ICI and ICI Mutual staff with a brief description of each department, direct-dial phone numbers and e-mail addresses of each staff member. In order for us to learn about your use of this publication, and how we can improve it, please take a few minutes to complete the attached survey. We will greatly appreciate each response. This publication is for the exclusive use of Institute members and associate members, and is not to be made available to any nonmember (such as a service provider), nor be used for solicitation purposes. Additional free copies are available to members on a limited basis by calling Michelle Worthy at (202)326-5872. Ginny Echeverria Director - Membership Services
