CONFERENCE ON SAVING

September 1, 1989 TO: BOARD OF GOVERNORS NO. 54-89 MEMBERS - ONE PER COMPLEX
NO. 29-89 FEDERAL LEGISLATION COMMITTEE NO. 10-89 MARKETING COMMITTEE NO.
22-89 TAX COMMITTEE NO. 14-89 RE: Conference on Saving

As part of the Institute's effort to stimulate a constructive public policy response to the nation's capital formation needs, we are helping to underwrite--along with more than two dozen other organizations--a national conference on saving being sponsored by the American Council for Capital Formation's Center for Policy Research. In addition to co-sponsoring the conference, the Institute helped to design its program. As a result of our suggestions, one of the sessions will be devoted to exploring the options for stimulating personal savings. Dr. Jacob Dreyer, Vice President and Chief Economist of the Institute, is a participant in this program, a copy of which is attached.
