TO: Variable Insurance Products Advisory Committee RE: December 2 Variable Insurance Products Advisory Committee Meeting

We are pleased to announce that we will hold our next virtual meeting of this committee on Thursday, December 2, 2021. The meeting will begin at 1:00 pm ET and should conclude no later than 2:30 pm. We will be holding this meeting through Zoom with a dial-in available.

We are fortunate to have two sessions of guest speakers for December's meeting. First, Michael Kosoff, Sumeera Younis, Michael Pawluk, and Andrea Magovern from the SEC's Division of Investment Management will join us for a quick update on the implementation of the VASP rulemaking, the SEC's upcoming rulemaking agenda, and other regulatory updates. In addition, Tamiko Toland, Director, Retirement Markets for CANNEX, will join us to discuss the role of indexing and the impact of buffer strategies on funds.

Please send us your suggestions of questions or topics for the SEC staff or for member discussion by email to [bridget.farrell@ici.org](mailto:bridget.farrell@ici.org).

Registration can be accomplished online at <https://cvent.me/ow79PD>. If you have questions about registration, please contact Jennifer Odom at [jodom@ici.org](mailto:jodom@ici.org). We will be circulating a draft agenda closer to the date of the meeting.

We look forward to hearing from you on December 2nd!
