CRO Committee 2022 Schedule

[33945]

TO: Chief Risk Officer Committee RE: CRO Committee 2022 Schedule

Below is a list of all the Chief Risk Officer Committee events we have scheduled for 2022. Continuing our format for getting these events on your calendar, members of the Committee will receive an Outlook Calendar invitation for each of these events, which eliminates the need for you to RSVP for them via email.

As regards 2022, you'll see from the schedule below that we plan to continue holding our Deep Dive sessions. We've scheduled four for next year on those topics that have been suggested by members. Next year's Deep Dives will focus on: ESG Risks; Third-Party Risk Management; Enterprise Risk Management Structures, Part II; and Model Risk Management. We will be reaching out to members to help with these sessions. In addition to the events listed below, we will also schedule additional meetings as conditions warrant. At this time, we are planning to hold all events virtually. However, if it is safe to hold an in-person meeting in late 2022 and members prefer that option, we will consider meeting in-person for our November Committee meeting. If you have any questions about next year's schedule or any suggestions for enhancing the value of this Committee to you, please do not hesitate to contact me (tamara@ici.org) or the Chair, Rhonda Cook (RCook@seic.com).
