Global Regulated Funds Committee RE: ICI Global Regulated Funds Committee Meeting: July 14, 2022

On Thursday, July 14, at 11:00 a.m. ET (4:00 p.m. London / 5:00 p.m. Brussels) we will hold a one-hour long virtual meeting of the Regulated Funds Committee. The meeting will focus primarily on the following two topics:

- Update on AFIMD/UCITS review and ICI Global's advocacy efforts
- Changes to the MiFID suitability rules with respect to client sustainability preferences. This will be an opportunity for members to discuss how they are progressing toward implementation/compliance and working with distributors since SFDR disclosure templates won't be rolled out until January 2023.

If you have other topics or questions that you would like to address at this meeting, please let me know.
