TO: Global Regulated Funds Committee RE: Summary of ICI Global Meetings at Eurofi Prague

Dear Members,

ICI Global participated earlier this month in the EUROFI conference held in Prague during which we had a significant number of meetings with key European and international policymakers. Our discussions focused on:

- Sustainability reporting standards and Sustainable Finance (SFDR)
- The EU Corporate Sustainability Due Diligence Directive (CSDDD) proposal
- Delegation and Liquidity Management Tools for UCITS (AIFMD Review)
- Non-bank financial intermediation (NBFI) and Money Market Funds
- EU Retail Strategy

Please find attached a report giving a high-level overview of these discussions. Do let us know if you have any questions.

Best regards,

Victor Van Hoorn  
Managing Director and Head of Brussels Office, ICI Global
