TO: Variable Insurance Products Advisory Committee RE: Mark Your Calendar - December 12 Variable Insurance Products Advisory Committee Meeting

We are pleased to announce that we will hold our next virtual meeting of this committee on Monday, December 12, 2022. The meeting will begin at 2:00 pm ET and should conclude no later than 4:00 pm ET. We will be holding this meeting through Zoom with a dial-in available.

We are fortunate to have Andrea Magovern, Michael Pawluk, and Michael Kosoff from the SEC's Division of Investment Management to join us for a quick update on recent SEC initiatives in the insurance products area, the SEC's upcoming rulemaking agenda, and other regulatory updates.

We will also provide updates from ICI staff on timely issues of interest, followed by an opportunity for members to lead a series of short discussions on issues on which you would like to solicit your colleagues' feedback (i.e., "shop talk"). We therefore request that, either on the online form or in an email to kevin.ercoline@ici.org, you include questions or topics you would like to raise with your colleagues at the meeting, as well as questions you would like to raise, or have us raise, with the SEC staff.

Registration can be accomplished online at <https://cvent.me/LZkPk2>. If you have questions about registration, please contact Jennifer Odom at jodom@ici.org. We will be circulating a draft agenda closer to the date of the meeting.

We look forward to hearing from you on December 12th!

Sarah A. Bessin
Deputy General Counsel - Markets, SMAs & CITs
