VIDEO HIGHLIGHTS

ICI Global Trading and Market Structure Conference

4 December 2012

London

The 2012 ICI Global Trading and Market Structure Conference was held December 4, 2012, in London, England. This premier conference examined the impact of trading and market structure issues on institutional investors.

Attendees received up-to-the-minute information on the latest developments in the financial markets from senior representatives of regulators and policymakers, securities exchanges, broker-dealers, institutional investors, and other market participants.
