2015 Global Retirement Savings Conference Highlights (video)

2015 ICI Global Retirement Savings Conference *The Role of Public and Private Pension Provision*

International experts convened in Paris on 24 June 2015 for a thought-provoking debate on the role and design of countries' private retirement systems, including interactions between private and public components.

The invitation-only conference involved representatives from the Organisation for Economic Co-operation and Development (OECD), the International Organisation of Pension Supervisors, and ICI Global members.

Below are video testimonials from some of the keynote speakers and panellists who attended the event. For more information about our previous pension events, please visit our [Global Retirement Savings Conferences](#) page.
