IDC Webinar: The Future of the Workplace Archive Recording

The Future of the Workplace

The COVID-19 pandemic has profoundly affected virtually all industries, including investment management, and will shape the way we work for years to come. IDC and Deloitte Consulting LLP are partnering to present a webinar on the future of the workplace.

Cynthia Hostetler, independent director of the Invesco Funds, will moderate an informative discussion with Jeff Schwartz, Deloitte's US Future of Work leader, and Yariv Itah, the global practice leader of Deloitte's Casey Quirk practice. Panelists will discuss trends in the future of the workplace and offer insights as to how they may affect the investment management industry and the way fund boards operate.

As always, you may submit questions before and during the webinar. Register today to join the discussion and learn more about this important topic.
