## **Changing Workforce Dynamics**

- Are your organization's employees well positioned to meet the rapidly changing dynamics of the fund industry?
- How can firms address a skills mismatch?
- How can asset management firms incorporate artificial intelligence into the workforce?
- What is the role of the gig economy moving forward?
- What can leaders do to keep themselves current?

At ICI's June 25 Changing Workforce Dynamics webinar, industry leaders Bridie Fanning, a talent and organization expert from Accenture, and Lisa Shea, senior vice president at Northern Trust, explored these issues and more.
