The Talent Connection: Learn About Legal and Compliance Career Opportunities in the Asset Management Industry Archive Recording

The Investment Company Institute (ICI) is pleased to offer a free one-hour webinar to law school students from underrepresented communities to introduce them to the asset management industry and related legal and compliance career opportunities. Headquartered in Washington, DC, ICI is the leading association representing regulated funds, including mutual funds and exchange-traded funds (ETFs), globally.

Webinar topics will include:

- The asset management industry: size, scope, and regulation
- How asset managers serve investors
- The range of legal and compliance career opportunities in the industry
- A day in the life of an asset management lawyer

Webinar participants will have the opportunity to ask questions throughout the webinar. Questions also may be submitted in advance during the webinar registration process.
