IDC Webinar: Fund Industry Trends: Research Perspective Archive Recording

As the new year kicks off, this webinar will look to ICI research data to analyze fund industry developments to help directors make sense of the trends, fund flows, and the impact of the data on their work in the boardroom. The panel will also review market events since March 2020 and the outlook going forward.

As always, you will have the opportunity before and during the webinar to submit questions. Register today to join the discussion and learn more about this important topic.
