IDC Webinar: Board Oversight of Fund Performance Relative to Benchmarks and Peer Groups Archive Recording

This webinar featured a robust discussion with industry experts and helped both newer and more experienced directors to:

- Appreciate the rationale for a benchmark selection and why a fund's portfolio structure may differ from that of the benchmark
- Understand the reasons why and under what circumstances a fund's returns will differ from that of a benchmark or peer group
- Assess the ways portfolio managers have added value through active management
- Analyze the effect of benchmark modifications or rebalancing on a fund's portfolio structure and characteristics
- Measure a fund's risk, volatility, and other characteristics relative to a benchmark
