ICI Webinar: Financial Innovation Series: What to Expect from the 118th Congress Archive Recording

Financial technology continues to change the way our industry operates, and it's essential that ICI members stay up-to-date on the latest trends.

Join us as we host experts from FS Vector, a financial services consulting firm, for a virtual briefing on how the 118th Congress will approach financial innovation policy, including cryptocurrency and other digital assets.

This webinar is our second in a planned series of webinars designed to bring technology and innovation topics to our members.
